"Managing Through a Crisis"

Session Description:

Tough decisions need to be made on many fronts right now. To protect the business and ensure its viability, layoffs, salary cuts, furloughs or all of the above may be necessary. But, this situation is anything but normal. Creativity, compassion, and compliance are paramount to ensure the best possible outcome for your employees, your business and your brand. Tune in to this webinar where our veteran panelists will share success stories and best practices for navigating this complex environment
